Mr. Raymond S. Churgin

Dear Mr. Churgin:

Reference is made to your contract, as amended, effective 1 June 1957 with the United States Government, as represented by the undersigned Contracting Officer for the purchase of information and services of a confidential nature.

Effective 30 September 1958 said contract, as amended, is terminated by the mutual consent of the parties thereto and in lieu thereof the following contract is substituted:

The United States Government, as represented by the Contracting Officer, hereby contracts with you as a Contract Employee for the use of your services and the performance of duties of a confidential nature under the following terms and conditions:

1. Compensation. In full consideration for the use of your services and the performance of specified confidential duties, you will be compensated at the rate of \$6000 per annum. Payments will be made as directed by the Contracting Officer in a manner acceptable to the Government. Taxes will be withheld from these amounts by the United States Government and submitted in its own name.

2. Allowances. (a) You will be entitled to living quarters allowance in conformance with and at the rates prescribed in applicable Government regulations for a GS-9. You may be provided quarters by the Government and in such event you will not be entitled to the living quarters allowance herein indicated.

(b) You will be entitled to a home maintenance allowance in conformance with applicable Government regulations.

3. Travel. You will be advanced or reimbursed (whichever is applicable) for travel and transportation expenses:

(a) For you to your permanent post of duty overseas;

(b) For you alone for operational travel;

(c) For your dependents, your household effects, and your personal automobile to your permanent post of assignment overseas, if such travel is initiated prior to 1 October 1959;

(d) Upon the completion of each two (2) years of overseas service under this contract or any renewal hereof, you will be entitled to home leave travel expenses from your permanent post of duty overseas to your place of residence in the United States and return travel expenses to your permanent post of duty overseas, provided, however, that you have fulfilled all requirements relating to home leave which are applicable to Government staff employees. In the event such paragraph (c) requirements will be included for such home leave travel, provided, however, that the two (2) years overseas service shall be computed from the date of your dependents' arrival overseas.
